GRIEVANCE PROCEDURE

A. DEFINITIONS

1. "Grievance" - a "grievance" is a claim by an employee or the Association based upon the interpretation, application, or violation of this Agreement, policies or administrative decisions negatively affecting an employee or a group of employees.
2. "Aggrieved Person" - an "aggrieved person" is the person making the claim.

B. PURPOSE

1. The purpose of this procedure is to resolve problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. PROCEDURE

1. A grievance to be considered under this procedure must be initiated in writing within thirty (30) calendar days from the time when the grievant knew or should have known of its occurrence.
 - a. Failure at any step of this procedure to communicate the decision on the grievance within the specified time limits shall permit the aggrieved person to proceed to the next step.

Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed waiver of further appeal of the decision.
 - b. It is understood that any aggrieved person shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any affect thereof shall have been duly determined.
 - c. Time limits - Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.
 - (1) In the event one of the parties becomes incapacitated, the time limits may be extended by mutual agreement.

- d. All meetings and hearings under this procedure should be handled with discretion.
2. Any aggrieved person who has a grievance shall discuss it first with his/her principal (or immediate supervisor/principal if applicable) in an attempt to resolve the matter informally at that level. If the matter cannot be resolved informally, the aggrieved person may file a formal written grievance with the principal or immediate supervisor on the grievance form attached in the Appendix of this Agreement. The principal or immediate supervisor shall give his/her decision in writing within five (5) school days of receipt of the written grievance.
3. The aggrieved person, no later than five (5) school days after receipt of the decision of his/her principal or immediate supervisor, may appeal the decision to the superintendent of schools. The appeal to the superintendent must be made in writing specifying:
 - a. the nature of the grievance;
 - b. the section of the Agreement or specific board policy allegedly violated, or specific administrative decision being grieved;
 - c. the results of the previous discussions; and
 - d. the remedy sought.
4. The superintendent, or his designee, shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) school days from the receipt of the appeal. The superintendent, or his designee, shall communicate his/her decision in writing to the aggrieved person, to the Association, and the principal.
5. If the grievance is not resolved to the aggrieved person's satisfaction, he/she no later than five (5) school days after receipt of the superintendent's or designee's decision, may request a review by the Board. The request shall be submitted in writing through the superintendent of schools, who shall attach all related papers and forward the request to the Board.
6. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the aggrieved person and render a decision in writing and forward copies thereof to the grievant and to the Association within fifteen (15) calendar days of the date of the hearing. The referred-to hearing, if granted, shall be held within thirty (30) calendar days after

receipt of the appeal notice.

7. If the decision of the Board does not resolve the grievance to the satisfaction of the aggrieved person and he/she wishes review by a third party, and if the Association determines that the matter should be reviewed further, it shall so advise the Board through the Superintendent, within twenty (20) school days of receipt of the Board's decision. However, the Board's decision shall be final and binding on the grievances concerning:
 - a. Any matter for which a specific method of review is prescribed and expressly set forth by law or any rule or regulation of the State Commissioner of Education; or
 - b. A complaint of a non-tenure teacher which arises by reason on his/her not being re-employed, provided the Article: Evaluation and Fair Dismissal Procedure has been followed; or
 - c. A complaint by any certificated personnel occasioned by appointment to, retention in, or lack of retention in, any bonus position for which tenure either is not possible or not required; or
 - d. Any matter which, according to law, is either beyond the scope of Board authority or limited to unilateral action by the Board alone.
8. Securing services of an arbitrator:
 - a. The following procedure shall be used to secure the services of an arbitrator:
 - (1) The parties will continue to use the arbitration panel implemented during the 1986-89 Agreement. If an arbitrator is unacceptable to either party, that arbitrator's name shall be dropped and another arbitrator will be added by mutual agreement. Should either party choose to discontinue the panel, then section C.7.a(2) of this article shall apply.
 - (2) Either party may request the American Arbitration Association to submit a roster of persons qualified to function as an arbitrator in the dispute in question.
 - (3) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they may request the American Arbitration Association to submit a second roster of names.

- (4) If the parties are unable to determine within ten (10) school days of the initial request for arbitration a mutually satisfactory arbitrator from the second submitted list, the American Arbitration Association may be requested by either party to designate an arbitrator.
- b. The arbitrator shall limit himself/herself to the issues submitted to him/her and shall consider nothing else. He/she can add nothing to, nor subtract anything from, the Agreement between the parties or any policy of the Board. The recommendations of the arbitrator shall be binding.
- c. Rights of employees to representation:
- (1) Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself, or, at his/her option, by the Association or by a representative selected or approved by the Association.
- (2) When an aggrieved person is not represented by the Association in the processing of a grievance, the Association shall, at the time of submission of the grievance to the Superintendent, or at any later level, be notified by the superintendent that the grievance is in existence, and shall be notified of the result.
9. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.
